## Mistelbach

5. The Erzherzog Karl Kaserne in Mistelbach (P 19/8 53), the billeting capacity of which was estimated at about 1,000 soldiers, appeared to be only 25 percent occupied on 20 November. Three trucks were parked in the barracks yard. No tracks, other than those of motor vehicles, were observed. Only 6 officers with red-bordered black epaulets were seen in the humant at Mistelbach. Four captains with red-bordered black epaulets, including 3 with artillery insignia; 2 soldiers with red-bordered black epaulets and 3 soldiers with black-bordered red epaulets were observed in the streets of the town. \*
